## DEMOLISHED BICYCLE

What came very near being a serious accident by sheer good luck turned out that no one was injured. Saturday at noon, while Plumber H. O. Wood was going West over Lime-stone Bridge on his bicycle he taking the smooth part in the car track and the wrong side, Clarke Busby entered the bridge in an automobile going East on the right side. Seeing Mr. Wood and attempting to avoid hitting him he turned his machine to the left

side, and at the same time Mr. Wood turned his bicycle to that side right in front of the automobile, which struck the bicycle, throwing Mr. Wood violently to the floor of the bridge and completely wrecking the front end of the bicycle. Fortunately Mr. Wood was not injured. Had the traffic laws been obeyed this accident would not have happened. The automobile was not damaged.

## SIGNS OF SPRING

(Chicago Daily News)  
I feel an elemental urge  
To break my shell  
And outward surge  
Beyond the sun,  
Beyond the star,  
Where all the unknown forces are.  
I want to dodge  
This life complex  
This hodge and podge  
Of "soul" and "sex."  
The troubled thought  
Strives to be free  
From this disarray,  
Delusive "Me."  
What is the thing  
This stirring force?  
Can it be spring?  
Of course!

## AUTOMOBILE CRASHES INTO STONE WALL

Bryant Walsh of Murphysville, while driving a Chevrolet car late Saturday evening on the Fleming pike lost control of his machine and crashed into a stone wall at the J. C. Stevenson place just outside of this city. Mr. Walsh luckily escaped without any serious injury. The car was almost a total wreck, damage on it will amount \$300.

## FIRST PRESBYTERIAN CHURCH HAS FINE SERVICE

The services at the First Presbyterian Church yesterday were of unusual interest. There was a very large audience assembled in the morning. The pastor, Dr. John Barbour, preached a fine sermon on "Receiving the Kingdom like a Little Child." In closing he referred to the campaign now inspired by the Children's Bureau at Washington to call a census of all infants in the country, their health, weight, etc. We are just beginning to value the child as Christ values it.

Dr. Barbour called for a vote of his congregation on the union, and there was not a dissenting voice.

At night there was a full house at the song service. Dr. Barbour said that Chaplains tell us that the soldiers do not sing patriotic songs, but hymns and the two favorites are "Abide With Me" and "When I Survey the Wondrous Cross." The singing of Miss Marguerite Hukill of Cincinnati, was greatly appreciated. Her splendid voice and charming personality make every occasion in which she takes part a success.

## GUNS ROAR ALONG THE ITALIAN FRONT

### REOPENING OF TEUTON ATTACK BELIEVED NEAR

Emperor Charles, Chief of the Austrian General Staff and several High German and Austrian Officers Have Arrived on Front and Opening of Offensive Is Looked For.

Geneva, Switzerland, May 5.—It is officially announced from Vienna that Emperor Charles, the chief of the Austrian general staff and several high German and Austrian officers reached the Italian front yesterday. This, with the considerable movement of troops in the Ayrrol and Trentino reported from the interior, is interpreted to mean that the long-predicted offensive on the Italian front will soon be begun.

Rome, May 5.—An increase in the intensity of the hostile artillery fire along the front, notably in the Lagrigna and Astico valleys and in the Foss-Alta sector, is reported by the war office today. The Italian artillery also has carried out numerous bombardments and there has been additional intensive activity by the Capronis and British airplanes during which eight enemy machines were destroyed and many tons of bombs dropped. The text of the official statement reads:

"There has been increased intensity of the hostile harassing fire in the Lagrigna and Astico valleys and in the Foss-Alta sector.

"Our artillery dispersed carrying parties in the St. Elvo area, fired with good effect on the Rivotto station, obtained direct hits on trains in the Conellano station and caused a heavy explosion on the left bank of the Piave, opposite Nervese.

"There were patrol actions on both sides between the Brenta and the Piave.

"The activity of our aircraft has been intense. Caproni flights and British airplane protected by numerous chasers, dropped about nine tons of bombs on the hydro-electric works at Cavedin north of Mori. While this operation was in progress other machines renewed the bombing of the aviation ground at Campo Maggior, south of Lenco.

"Last night our airplanes, reaching by surprise the railway stations at Primolano and Bolzano, dropped their loads of bombs with good effects. At the same time, an alirship of the Royal Navy engaged enemy columns on the march beyond the Tagliamento.

## Enemy's Attack on English Positions at Hinges Repulsed

London, May 5.—German troops this morning attacked the new positions gained by the British Friday night on the Flanders front, near Hinges, northwest of Bethune. They were repulsed, the war office announces, the British line remaining intact.

The artillery on both sides is continuing its activity along the Lys battle front. The British positions were improved in local operations last night east of Aimeles, near Sallily-Le-Sac, and north of Albert, in the vicinity of Hebuterne.

The official statement reads: "By successful minor enterprises carried out last night in the neighborhood of Sallily-Le-Sac and east of Hebuterne we effected improvement in our line at these points and captured several prisoners.

"Early this morning the enemy attacked the new positions gained by us Friday night northeast of Hinges and was repulsed. Our line is intact. We carried out a successful raid in the forest De Nieppe sector.

"The artillery has been active on both sides on the Lys battle front."

## Yank Artillery Drives Out From Front Lines Territory Abandoned

With the American Army in France, May 5.—During the last three days the American artillery in the Lunerville sector has completely chased the Germans from their front positions, and have wiped out the main positions of the Germans in the Lunerville sector.

## MEMORIAL SERVICES

### Held at Mayslick in Honor of Leslie Herndon Arthur Attended by Large Crowds From Over the State

The memorial service held yesterday afternoon at Mayslick in honor of Leslie Herndon Arthur, Mason county's first son to die in the present war was a beautiful and impressive tribute to the memory of this dead hero.

The exercises were opened by the invocation by Rev. W. J. Loos, pastor of the Mayslick Christian Church. At the close of this the audience stood and sang "The Star Spangled Banner." Rev. Mr. Loos then gave the beautiful history of Leslie Arthur's life, and how at the beginning of the war he had been among the first to make the supreme sacrifice for his country. The beautiful song "Abide With Me" was then sung by the quartet, composed of Dr. John Barbour, Mrs. E. P. Lee, Mr. and Mrs. Carl Dodds with Miss Stella Archdeacon as accompanist.

Mr. Stanley F. Reed made a fine speech, at the conclusion of which the quartet sang, "Lead, Kindly Light." Mr. William Cochran then delivered a splendid talk.

The unveiling of a large bronze tablet, dedicated to this young hero, was the most impressive part of the ceremony. The tablet will be placed in the lower hall of the Mayslick High School building.

Dr. Barbour closed the meeting with prayer.

## \$622,150

Is Mason County's Total in Third Liberty Bond Sale — Exceeds Quota by \$178,750.

Mason county's subscription to the third Liberty Loan which closed Saturday afternoon shows a total of \$622,150 in this splendid result, she exceeds her quota by \$178,750. It was a popular victory, the success of the campaign having been made possible by the number of small subscribers. The general interest manifested and the desire to support the government's war program, is highly encouraging. For the good showing made by Mason county in the sale of these bonds, too much credit cannot be given to them to make the sale a success.

The Boy Scouts under the leadership of Mr. James B. Wood are entitled to special mention. They did an important work in the drive. Among the larger subscriptions received Saturday that of employees of the January Wood Co. is worthy of mention. 133 bonds were purchased by 114 employees of the company, totaling \$6,650.

The following gives the sales of the various banks of the county:
